Prayer/Newsletter May 2025 Hesed Community Church Yangon, Myanmar

Prayer Requests

- ☐ We give thanks and give glory to the Lord for 7 people who confessed Jesus as their Saviour/Lord and got baptized into the water. They are all from B-background. Please pray for them to grow in Christ despite challenges, difficulties, up's and down's of their living situations.
- As a next step to the Daisu church planting, saya Naing Oo's family has moved to Daisu village. They are now living in a rental apartment so that they can better reach the people in community. His house will double up as a worship services and meetings place. Please pray for this family and Daisu village outreach.
- ☐ Please continue to pray for our on-going discipleship class and home cell outreaches.
- ☐ Please continue to pray for the final stage of papers to be completed for Hesed Building.
- ☐ We do not know the future of our country. Please continue pray for our sovereign God to bring His peace to our people and our country among natural disasters, ethnic conflicts and all kinds of sufferings arising from high prices, low income, mobility restrictions, etc.
