# Prayer/Newsletter **July 2025 Hesed Community Church** Yangon, Myanmar

## **Prayer Request**

- We will be holding a salvation and baptism class for our friends from the cell groups. The baptism ceremony is scheduled for August 3, 2025. Please pray that God will bring many people into His kingdom.
- Our new church plant in Dai Su village, named "Sheep's Gate Community Centre" (SGCC), is growing. Please pray for this church and for Pastor Naing Oo's family as they serve the community closely.
- In our community, many people including church members are facing financial struggles. They often borrow money from loan sharks, which leads to many problems. Different people come to the church asking for help almost every day. Please pray for those who are in difficulty and in debt.
- Because of various difficulties and social pressures, some new believers have fallen away from their faith. As a church, we are doing our best to help restore and strengthen their faith. Please join us in prayer that God, in His love, mercy, and power, will bring our brothers and sisters back to Him.
- Please keep praying for the final approval of the paperwork for the Hesed Church building.
- The civil war, along with the political and economic crisis in our country is still ongoing. Please pray for God's peace to be poured out on our nation.
